

# MICROELECTRONICS HALF-DAY STUDENT *Experience*

For an investment of \$2,500, your company can serve as an official sponsor of the Microelectronics Half-Day Student Experience at the HBCU CHIPS Network Conference. On March 31st, your team can host a curated group of undergraduate and graduate HBCU and GT students for up to four hours in either a 9:00 a.m.–1:200 p.m. or 1:00 p.m.–4:00 p.m. window. You have the freedom to design your own agenda, such as facility tours, hands-on lab or design activities, staff panels, and networking, while the conference team handles student recruitment, logistics, and communications.

## **SUPPORTED BY YOUR \$2,500 SPONSORSHIP**

- Transportation for students to and from your facility
- Meals for student attendees before or after their visit to your facility
- Event logistics and coordination
- Student resume book
- Sponsor profile on conference app
- Data collection and impact reporting back to your team
- Professional branding: co-branded graphics, signage, website placement, photography
